

Dear New Second Graders and Parents,

We are so excited to meet you in the fall! It is going to be a fantastic year full of new experiences and rich learning opportunities ~ for us all! This year will be filled with hands-on approaches to learning more advanced literature and math. We will also work on developing our skills in writing and presenting. Our work is challenging, but together we can make it fun!

A few of the items that make it easier for us to get organized and started are listed below. Please bring these items with you on the first day of school. In addition to these items, each second grade classroom has a Giving Tree with apples for you to pick. This tree is up all year and helps parents buy things that are necessary for the classroom, or sometimes just items that the kids have expressed an interest in having. It is there for you to look at throughout the year. Please feel free to pick an apple when you feel like it! ☺
