

Dear New Second Grade Students and Parents,

We are so excited to meet you in the fall! It is going to be such a fun year full of new experiences and many fun and exciting learning opportunities! Our work is challenging, but together we will have so much fun!

A list of items that are needed in the classroom to make it easier for us to get organized and started are included below. In addition to these items each second grade classroom has A Giving Tree on the wall that you can pick apples from throughout the year when particular items are needed or the class is running low on.

It is necessary to bring in all of the items on the list, however some are to share with the class and some are for your own personal use. You can shop for these items CHEAPLY all summer long at various stores such as Walgreens, Target, Wal-Mart and of course the dollar stores!

We are asking that you do not purchase rolling backpacks. They are very large and take up a lot of room on our backpack hooks and in our rooms. Thank you! ☺
