

## **Middle School Supply List**

### **August 2018**

Students in Middle School have a different teacher for each subject. Students will know who their teachers are when they are given their schedule at Meet 'N Greet.

Last year, we created a combined list of all supplies for all teachers for Middle School students. The Middle School teachers felt students were asked to bring in too many supplies, many of which were not used during the year. This year, we are waiting to hand out supply lists until Meet 'N Greet so students know who their specific teachers are and can purchase only the item asked for by their teachers.

All students need basic supplies like:

- Pencils
- Black or blue pens
- Loose leaf paper (wide-ruled or college)
- Three to five spiral notebooks
- Two composition books
- White board markers (black, color)

Each teacher will provide their specific list at Meet 'N Greet. This will ensure students only purchase what they truly need.

Thank you!
